

August 2009

Enclosed are newly revised pages for your Delta Dental of California Federal Services Division Dentist Handbook. Please replace the corresponding numbered pages in your current Handbook with these newly revised pages. Note that the new replacement pages contain a revision date for ease of reference.

The following is a historical summary of revisions to the current Dentist Handbook. You are encouraged to retain this historical summary in the “Reference” section located in the front of your Handbook. Each time revisions to the Handbook occur, you will receive an updated historical summary sheet along with new replacement pages.
