Re: Important Information - Delta Dental Select Network Name Change

Dear Delta Dental Select Network Participating Dentist:

This past year, as the Delta Dental Plans Association was registering the names of the Delta Dental dentist networks, it was suggested that the Delta Dental Select Network undergo a name change that would align more closely with the TRICARE Retiree Dental Program's (TRDP) primary audience – the military community. As a result, it was recommended that the network be renamed "Delta Dental Legion." The Federal Services division of Delta Dental of California, administrator of the TRDP, is updating all materials to reflect the new name of its foremost dentist network that currently—and proudly—serves retired members of the Uniformed Services and their families.

This letter serves as "official" notification to all active Delta Dental Select dentists of the name change to the Delta Dental Legion Network. You need not do anything to continue participating in the network under its new name, and this change does not require you to sign a new participating dentist agreement.

In the coming weeks, you will receive a new Dentist Handbook that reflects the new Delta Dental Legion Network name, as well as information on the new TRDP benefits effective October 1, 2008. Updated fee schedules will be mailed upon final review and approval. You will notice as we continue to reinforce the new network name in future newsletters and other TRDP materials over the next several months.

We thank you for your continued participation with the **Delta Dental Legion Network** and appreciate your support and care of enrollees of the TRICARE Retiree Dental Program.

Sincerely,

DELTA DENTAL OF CALIFORNIA
